Index to Volume XXI

This is an author-and-subject index to articles in the four issues of Volume XXI of *Baptist History and Heritage.*

In author entries a writer's name is followed by a chronological listing of the titles of each article and/or editorial prepared by that person. The reference data after each title contains five elements: volume number, issue number, page number, month of publication, and year of publication. To illustrate, 21.4.2; 10/86 refers to volume 21, number 4, page 2 (October, 1986, issue). Page numbers refer only to the initial pages of articles.

In subject entries, including names of persons treated as subjects, a subject is followed by a chronological listing of references to that subject. Titles are not included.

A key history help for your church

Your church deserves and needs a strong history program. The Historical Commission, SBC, wants to help. Its *Resource Kit for Your Church's History* contains 23 items to assist your church with its history needs. A *Church History Committee Handbook* is a basic kit item. Ten how-to pamphlets focus on:

- Locating, preserving, and microfilming church records
- Tape-recording, photographing, writing, communicating, dramatizing, displaying, and celebrating your church's history
- Observing Baptist Heritage Month

These and other kit items (brochures, fliers, posters, a bulletin insert, order forms) describe resources, services, and emphases vital to a healthy history program in your church.

Purchase the *Resource Kit for Your Church's History* from the HISTORICAL COMMISSION, SBC, 901 Commerce Street, Nashville, TN 37203-3620.
